

BREAKING AWAY

Summer Impressions' All Inclusive Day Camp Program Specially Designed For Younger Campers 2-3 Year Olds

Your child's first camp experience should be the best! To get the best, you have to have your little camper spend their summer in our backyard. Making friends, learning new skills and having fun is what it's all about for our youngest set. For your child's first camp experience our counselors are ready to teach, to listen and to guide your child through a positive camp experience.

A DAY AT CAMP.....

Each camper is greeted by our staff and after gathering time, campers participate in a variety of age appropriate activities. Campers use all of our facilities including our playgrounds, art barn, sports fields, tennis courts, sandboxes, and of course, no session would be complete without a visit to our camp store!

Where else can you have so much fun? Every week our camper's activities will include...

DRAMA
ARTS & CRAFTS
OUTDOOR GAMES & SPORTS
