THREE CAMPS IN ONE DESIGNED FOR FUN!

Cool Kids Camp

Making new friends, learning new skills and having fun is what it's all about for our younger set at **Cool Kids Camp**. For your child's first camp experience our counselors are ready to teach, to listen and to guide your camper through a positive camp experience.

Awesome Adventurers Camp

From sports, to swimming, to art, to drama, to science and everything in between, you decide. The choices are bountiful... whether you want to become an ace tennis player, a super swimmer or a budding stage performer, we will be there to help you succeed.

Energetic Explorers Camp

Activities rotate daily to provide lots of variety. We give campers an opportunity to participate in the planning process which results in unique schedules for all our campers. From weekly adventure trips to overnights, there is always something exciting just around the corner. The possibilities are endless.

Our camp is directed by Libby and Art White, whose degrees include a B.A. and a B.S. in Education, an M.S. in Guidance and Counseling and forty-eight years each of active private day school and camp ownership. The new generation, Mackenzie White (with a B.S. in Audiology and Speech Sciences and an M.A. in Counseling) is complimenting the staff. With their membership in the American Camp Association and a wealth of experience, they are ultimately qualified to insure our campers a memorable camp adventure.

Our staff, directors, specialty instructors and counselors have been with us for years and many are certified teachers. In addition to our counselors, we have professional, certified instructors in swimming, arts and crafts, physical education/sports, science and drama. Staff members are selected after a comprehensive interviewing process. Personnel are hired based on maturity, enthusiasm and special talents as well as their ability to nurture children. Intensive pre-camp training is held prior to camp and ongoing meetings and in-service workshops during the season all help the staff implement camp philosophy and curriculum. With special attention to each and every camper, our staff develops the total child through an exciting camp experience.

With the perfect location, extended days, flexible scheduling and reasonable rates, Summer Impressions will provide children with the greatest summer camp experience imaginable. The accreditation process evaluates more than 300 specific aspects of camp, including health, safety, programming, staff development and emergency response practices. The ACA's seal of accreditation means that Summer Impressions is amongst the top tier of summer camps in the United States!

FACILITIES

Summer Impressions Day Camp is located on over five acres with three main buildings. The camp features a separate well-equipped arts and crafts building, a camp store, arcade game room and additional air-conditioned buildings for inclement weather activities. In addition, our outdoor facilities consist of two heated in-ground pools, professional junior tennis courts, Safety City, miniature golf course, four basketball courts, two state-of-the-art playgrounds, a rock climbing course, awesome bounce, a challenge trail, Ga-Ga courts, table tennis, fitness course and sports fields for soccer, baseball, field hockey, volleyball and many more.

SWIMMING

At Summer Impressions campers use our swimming facilities twice daily. Our heated bowl shaped wading pool, with a depth of only 18 inches, is specially designed to introduce campers to the fun of water sports. Our "S" shaped in-ground, heated swimming pool, ranging from a depth of 2-1/2 to 4 feet, allows elementary to excellent swimmers certified water instruction taught by our professional American Red Cross water safety instructors.

The swimming pools are completely enclosed and lifeguards are on duty continuously. All campers receive instructional and free swim daily. Counselors participate in swimming activities to give additional guidance and supervision to their campers.

NATURE & CRAFTS

Our crafts program includes all the traditional camp favorites such as tie-dying, paper maché, seed mosaics, lanyards, clay, woodworking and beading plus ample opportunity for self-expression.

Our campers gain an appreciation of their environment and outdoor living skills as they learn about nature, wildlife and history. Many of the craft projects are theme and nature related.

PRIVATE LESSONS

In addition to the swimming, soccer and tennis offered during the camp day, we also offer private group swim, soccer, tennis, math, hip-hop and cheerleading lessons between 3:00 p.m. and 5:00 p.m. for an additional fee. All classes are taught by qualified and experienced instructors. The swimming lessons are an American Red Cross based program. Information for registration for private lessons will be mailed after acceptance to summer camp.

SPECIAL WAYS ON SPECIAL DAYS

Everyday is a special day at Summer Impressions. Whether it's our annual talent show, Karaoke, or our hip-hop dance-a-thon... every day is an unforgettable experience. Every session features a camp cookout. Our special days, spirit days and visitors from around the world create an enthusiastic mood and camp excitement unsurpassed by any other facility around!

SUMMER STOCK THEATRE

Participate in an exceptional theatrical experience ... **SUMMER IMPRESSIONS THEATRE CAMP!** Our theatre camp offers children hands-on experience with the entire show process from learning their lines to performing in front of a crowd. What a self-esteem enhancer!! What a confidence builder! What FUN!

Our S.I. Theatre Camp will be offered for two - single week sessions at a nominal fee. Don't miss out! Register soon.

SAFETY CITY

This great program for our 4-6 year old campers provides childhood safety education in our "Summer Impressions City", a miniature town with streets, vehicles, stoplights, crosswalks and stores! Parents will not have to pay an additional charge for any other safety program this summer - IT'S INCLUDED AT SUMMER IMPRESSIONS - representing a considerable cost savings when compared to similar safety programs.

Our SAFETY CITY program includes safety instruction of all types - street, playground, home, bicycle, fire, poison, stranger, animal, pool and school bus safety.

FIELD TRIPS

Let's get the show on the road! Field trips are a big hit at Summer Impressions for campers entering first grade and older. Past campers enjoyed adventures such as rollerblading, bowling, Paradise Park, Glow-In-The-Dark Golf, Cranbrook Science Museum and Greenfield Village. Singing on air-conditioned, luxury buses, socializing with friends and exposure to such a variety of interesting places makes summertime FUN time!

LEADERS IN TRAINING

Jr. L.I.T.'s (ages 11-14 years old) participate in the traditional camp activities. Throughout the session, L.I.T.'s meet for training and developing skills for leadership. They participate in challenging and motivating activities. As the session goes on, they spend a portion of each day assisting counselors and specialty teachers in an area of personal interest... whether it be swimming, art, science, drama, sports, etc.

This is a mentoring program. Our L.I.T.'s are never left alone with groups but participate in and assist our staff to learn responsibility, teamwork and a taste of what it would be like to be a future leader.

CREATIVE DRAMATICS

Our highly skilled staff brings to life the exciting world of performing arts. Campers learn acting techniques through improvisation, mime, puppetry, role playing, pageants and skits on the camp stage. Incorporated into all these events are special musical activities — of course, camp would not be complete without the rousing singing of camp songs.

FIELD SPORTS

Campers participate in a variety of sports including basketball, miniature golf, Ga-Ga, field hockey, soccer, volleyball, T-ball and box hockey, just to name a few. Of special interest to our budding tennis players is the junior tennis program. All campers are taught sportsmanship, safety and game skills, as well as the cooperative spirit of competition and fair play.

OVERNIGHTS

Overnights are a cherished tradition at Summer Impressions. They include extended swimming, campfires, cookouts, late night movies, games, breakfast, a special theme and are available for our campers ages five to ten in Sessions I, II and III for an additional fee of \$50.00 each. Spaces are limited, reservations are required. So pack your gear and experience sleepover camp!
